CYBERSECURITY AND ARTIFICIAL INTELLIGENCE TRAINING CERTIFICATION FOR STATE AND LOCAL GOVERNMENTS

In accordance with Sections 2054.5191 and 2063.103, Government Code, the governing body of a local government, shall:

- verify and report on the completion of a cybersecurity training program and an artificial intelligence (AI) training program by employees of the local government, and
- require periodic audits to ensure compliance with this section.

In accordance with Sections 2054.5191 and 2063.103, Government Code, the executive head of each state agency, shall:

- verify completion of a cybersecurity training program and an AI training program by employees of the state agency in a manner specified by the department, and
- periodically require an internal review of the agency to ensure compliance with this section.

In accordance with Section 2063.104, Government Code, a state agency shall require any contractor who has access to a state computer system or database to complete a cybersecurity training program certified under Section 2063.102 as selected by the agency. The person who oversees contract management for the agency, shall:

- report the contractor's completion, and
- periodically review agency contracts to ensure compliance with this section.

This form is for state and local governments to report completion of cybersecurity and AI training by employees. (https://dir--staging--livepreview.cs32.force.com/SecurityTrainingVerification/s/null)
For entities electing to report their status multiple times, the report submitted last in time shall be considered the official report.
