Re: Legislation establishing a new fee under Chapter 22 of the Texas Government Code

Dear Honorable Sappington:

The purpose of this letter is to notify you of recent legislation which amended Chapter 22 of the Texas Government Code by revising Texas Government Code Section 22.207. This legislation affects all the counties within the Second Court of Appeals District. Tarrant County has been the only county collecting this fee for us so far. Please note that this law will take effect on September 1, 2013. A copy of this legislation is attached for your reference.

The statute will require the Commissioners' Court of each county within the Second Court of Appeals to establish an appellate judicial system to assist the Second Court of Appeals in hearing appeals. To fund the system, the statute requires each of our twelve Commissioners' Courts to assess a court costs fee of \$5 for each civil suit filed in county court, statutory probate court, or district court in the county, but the fee does not apply to suits filed against a governmental entity or to a suit for delinquent taxes. This fee shall be collected and used as other court costs in a suit. The clerk of the respective courts should remit the fee to the county officer who performs the county treasurer's functions. The fee should be deposited in a separate appellate judicial system fund account for the Second Court of Appeals. These funds should be segregated from the general fund accounts of the county and used for any other purpose and is not subject to the counties' budget. The Commissioners' Court should order the funds collected under this statute to be remitted to the Second Court of Appeals on a monthly basis. We would prefer that the funds be remitted on or about the 10th day of the month following collection.
