PREVENTIVE MAINTENANCE PROPOSAL

Date: 10/07/15
To: Sheriff Paul Cunningham
From: DLS Detention Lock & Equipment Service
Project: Montague County Sheriff's Office (JAIL)

Gentlemen:

We are pleased to submit a Maintenance Proposal for the scope of work outlined below.

I. SCOPE OF WORK

- A. DLS Detention, will provide the manufacturers recommended maintenance and adjustment to all the locking hardware. Hardware will be cleaned, lubricated and tested for functionality. If any parts are required DLS Detention, can provide new parts at cost plus 25%. DLS Detention, will not replace any parts or material without written authorization from the owner.
- B. Proposal also based on devices which included – Willow Electromechanical Slide Doors & Southern Folger Electromechanical Swing Doors for the entire Jail.

II. PRICING

- A. Base Bid: \$5150.00

III. CLARIFICATIONS

- A. We shall not be required to proceed with extra work until we receive a written change order indicating a mutually agreed-upon price and schedule.
- B. Final payment will be remitted upon completion and acceptance of our scope of work.
- C. This proposal is specifically based upon the conditions outlined herein. Changes in any of the criteria set forth in this letter will result in changes in our price.
- D. This quotation is valid for 30 days from the bid date of this proposal.

Should you have any questions, please call me at (210) 835-4756, and I will be pleased to discuss this proposal.

Sincerely,

DLS Detention Lock & Equipment Service

Daniel G. Martinez
Senior Project Manager

Montague County Sheriff
