Montague, Texas 76251

RE: Emulsified Asphalt Bid – CRS-2, CRS-2H and AE-P

Dear Commissioner Langford:

Please accept this letter as our formal bid proposal for supplying Montague County with **Emulsified Asphalt – CRS-2, CRS-2H and AE-P**. Our bid prices are below:

<u>Material</u>	<u>Bid Price</u>	<u>Freight</u>	<u>Delivered Price</u>
CRS-2	\$1.75/Gallon	\$0.1247/Gallon	\$1.8747/Gallon
CRS-2H	\$1.75/Gallon	\$0.1247/Gallon	\$1.8747/Gallon
AE-P	\$2.20/Gallon	\$0.1247/Gallon	\$2.3247/Gallon

CRS-2 emulsion is available at the Saginaw facility or from our Ardmore, Oklahoma plant, for the same price at both locations. Our Ardmore facility does not make Texas-approved CRS-2H or AE-P so those products would be available at our Saginaw plant.

This bid is for full transport loads of 5,500 gallons or more. Freight is based on a full transport load, even if a full load of material is not ordered. The common carrier bills demurrage at \$80.00 per hour, after the second hour. Return freight is one-half of the outgoing tariff. Pump and hose charge is \$90.00 per load.

We appreciate the opportunity to work with Montague County. If you have any questions, please do not hesitate to contact me.

Sincerely,

R. M. McKemie
Vice President
