The Honorable Rick Lewis  
Judge, Montague County  
PO Box 475  
Montague, TX 76251

Judge Lewis:

Nocona General Hospital wishes to withdraw its proposal to provide EMS service to the southern end of Montague County. This is due in part to a separate agreement the hospital has negotiated with the City of Bowie. The Board, administration and staff of Nocona General Hospital appreciate the court's time and dedication to this important subject.

Respectfully Submitted,
