

TEXAS DEPARTMENT OF AGRICULTURE
COMMISSIONER SID MILLER

June 29, 2017

The Honorable Rick Lewis
County Judge
Montague County
PO Box 475
Montague, TX 76251

Dear Judge Lewis:

In an effort to address the threat of hunger facing more than 18 percent of our state's elderly population, the 85th Texas Legislature has continued funding the Texans Feeding Texans: Home-Delivered Meal Grant Program (Program) administered by the Texas Department of Agriculture (TDA). The 2018 application year will mark the 11th cycle for the Program, which provides funding to home-delivered meal providers that serve nearly 14 million meals annually to elderly and disabled Texans.

We must do everything in our power to make sure our seniors and Texans with special needs never go hungry. This funding will help fill the stomachs and hearts of people who need it most. We're giving them a helping hand, not a handout. The home-delivered meal program keeps people out of institutional care and in the comfort of their own homes, which ultimately benefits everyone. It also provides seniors and those with special needs with the opportunity to live where they are in a secure, happy and healthy environment.

The Program is designed in statute to create a partnership between the state, counties and local meal providers. This is a non-competitive grant, and all eligible entities receive an award based on a formula to determine award amounts. In order for an applicant organization to meet eligibility requirements, a county must contribute a financial grant for meal providers to receive their share of grant funds. This means the county must document their portion of the grant through a formal resolution, which is submitted as part of the application. TDA will begin accepting applications September 1, 2017, and all applications must be submitted to TDA and postmarked no later than Wednesday, November 1, 2017 to be eligible.

I encourage all counties to take this time to ask questions, make budget plans and conduct outreach to local entities that deliver meals to senior or disabled homebound citizens. The county's partnership is a key component in the success of meal providers within each community.

For more information on how your county can partner with these providers and to view a list of current grantees, please visit TDA's website at www.TexasAgriculture.gov or contact the Grants Office at (512) 463-9932 or Grants@TexasAgriculture.gov.

Sincerely yours,
