Attention: Honorable Judge Rick Lewis

RE: Possible Purchase of used 2016 Ford Explorer patrol car.

Midway ISD proposes to purchase white 2016 Ford Explorer that was driven by the patrolman who lives in Jolly. I believe the unit # is 220. We understand that the unit is sold "as is" and has the console removed, has about 85,000 miles, metal wheels, cloth front seats, vinyl rear seat, no third seat, vinyl floor covering, deer guard, spot light, and on the day of inspection a flat tire on the right front. At the regular board meeting on April 12, 2018 the board authorized me to offer \$9500. We appreciate your consideration.

Sincerely,

Randel Beaver, Supt.
