RE: Emulsified Asphalt Bid #18-056 – CRS-2H, CRS-2 and AE-P

Please accept this letter as our formal bid proposal for supplying Montague County with **Emulsified Asphalt – CRS-2H, CRS-2 and AE-P**. Our bid prices are below:

<u>Material</u>	<u>Bid Price</u>	<u>Freight</u>	<u>Delivered Price</u>
CRS-2H	\$1.70/Gallon	\$0.1310/Gallon	\$1.8310/Gallon
CRS-2	\$1.70/Gallon	\$0.1310/Gallon	\$1.8310/Gallon
AE-P	\$2.30/Gallon	\$0.1310/Gallon	\$2.4310/Gallon

CRS-2 emulsion is available at the Saginaw facility or from our Ardmore, Oklahoma plant, for the same price at either location. Our Ardmore facility does not make Texas-approved CRS-2H or AE-P. The closest facility making those products would be the Saginaw plant.

This bid is for full transport loads of 5,500 gallons or more. Freight is based on a full transport load, even if a full load of material is not ordered. The common carrier bills demurrage at \$80.00 per hour, after the second hour. Return freight is one-half of the outgoing tariff. Pump and hose charge is \$90.00 per load.

We appreciate the opportunity to work with Montague County. If you have any questions, please do not hesitate to contact me.

Sincerely,

David Stroud
Texas Regional Manager
