The Montague County Commissioners Court invites residents with comments or observations related to County issues, projects, plans and policies to briefly address the Court for the limited purpose of determining whether the matter should be referred to staff for study and response and/or be placed on a future meeting. Anyone speaking during the Community Forum should first identify themselves by their first and last names for the public record. There is a three (3) minute time limit, and large groups interested in the same topic should select a spokesperson. State law prohibits the Court from deliberating on any item not listed on the posted agenda.
