Montague County Sherriff's Department

PO Box 127

Montague, TX 76251

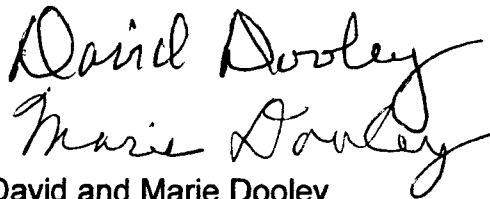

Dear Sirs,

My wife, Marie and I own the Rocky Oak Ranch on Hildreth Pool Road. It has no mailing address, however the 911 address is 1760 Hildreth Pool Road, and is located ¼ mile West of the intersection of Indian School and Hildreth Pool Roads. The main gate is just across the road from James Fee at 1761 Hildreth Pool Road.

We have an alarm system and you have never failed to send someone out to check on our property if the alarm sounds. Not living on the 112 acres we own, it is comforting to know that your organization stands ready to help with the safety and security of our property in our absence.

Each year we are very happy to support your group with a small monetary gift to your department to be used in the best way to continue your mission. Once again, we appreciate all you do for the citizens and those of us who simply own property and often visit to enjoy the outdoor recreational experience and pursue farming/ranching opportunities.

Kindest regards,

Handwritten signatures of David Dooley and Marie Dooley in cursive script.
