Discuss and consider request from Nortex to name a private road for 911 purposes. Being a private road located on FM 455 being 8.1 miles southeast of Montague Texas or 5.9 miles northwest of Forestburg Texas on said FM 455 located on West side of FM 455. also being at beginning point on FM 455 at Lat. 33.571216 and Long. -97.638582. The private road name will be known as PR-121: RONKEN RD. LANE

Thanks. Roy

Judge Lewis,

Thank you for replying. Ronken does not conflict with any other named road in Montague County. One thought I have though. Typically, named county-maintained roads would be followed by the name and road. Non-county-maintained roads are typically in this format. Name and Lane. For the commissioner's consideration, Ronken Lane to distinguish from named county-maintained road segments. As always, I will yield to the decision of the commissioners court.
