

**** Addendum to the Data Processing Services Agreement****

In accordance with the Data Processing Services Agreement (DPSA) between Montague County (Client) and Justice Solutions (JS), this addendum shall document the addition of six (6) concurrent users.

In consideration of the long-standing contractual agreement, JS will license six (6) additional concurrent users at to the Montague County Sheriff's office, but will only charge for four (4) at \$234.50 per user per month¹².

Upon approval of this addendum, JS shall provide the additional concurrent users. The additional concurrent users shall be provided to the Montague County Sheriff's Office for the life term of the contract.

This Addendum shall become effective when executed and except as modified herein, all of the Terms and Conditions of the aforementioned Data Processing Services Agreement shall remain in full force and effect.
