Plan Description

This plan includes up to 250 recipient phone numbers on an account. Each individual recipient can select from any alert style via App/Text/Direct Phone Call. The App and Text feature includes unlimited notifications for all personnel. The direct phone call option includes up to 7,000 included phone calls per month in this package. Each time a client has a tone activation, the number of recipients receiving a direct phone call will subtract from the 7,000 allotment for that month. Direct phone calls over 7,000 may be billed additionally at \$0.05 each. Your sales representative will review your account prior to subscribing and identify any suggested changes to completely avoid any overages. Priority Text Messaging (Mass messaging) is included in your package price and it too is unlimited use. This package includes up to 4 sets of tones. Additional tones are charged at \$10/month each.
