

# TEXAS ASSOCIATION *of* COUNTIES COUNTY INFORMATION RESOURCES AGENCY

---

## SOFTWARE LICENSE PILOT PROGRAM AGREEMENT

---

This Agreement (the "Agreement") is made by and between the undersigned local government or other political subdivision of the State of Texas ("Member"), acting through its governing body, and the County Information Resources Agency ("CIRA"), an interlocal entity previously created by an Original Interlocal Agreement for Information Resources and Technologies entered into by its original members, as authorized by the Texas Interlocal Cooperation Act (TEX. GOV'T CODE, Chapter 791), acting on its own behalf and on behalf of each other local government or political subdivision having membership in CIRA.

In consideration of the mutual covenants and agreements set forth below, in addition to the existing Services Agreement between the parties, CIRA and the Member agree as follows:

### 1. Pilot Program Scope

1.1 CIRA agrees to make available to the Member a limited license to use the software described in Exhibit A (the "Software") solely for the purpose of conducting a pilot program. The pilot program is intended to evaluate the functionality and suitability of the Software for CIRA's business operations.

1.2 The pilot program shall have a defined duration, as specified in Exhibit A. At the conclusion of the pilot program, CIRA reserves the right to remove or discontinue the provision of the Software.

### 2. License Grant

2.1 Subject to the terms and conditions of this Agreement, CIRA grants the Member a non-exclusive, non-transferable license to use the Software solely for the purposes of the pilot program.

2.2 The Member acknowledges and agrees that the Software is provided on an "as is" basis. CIRA does not warrant or guarantee that the Software will be error-free, uninterrupted, or suitable for the Member's specific requirements.

2.3 The Member shall be solely responsible for configuring, maintaining, and supporting the Software during the pilot program. CIRA shall have no obligation to provide technical support or assistance to the Member, unless otherwise agreed in writing.

2.4 The Member shall be solely responsible for managing agreements, including ensuring that licenses obtained through CIRA do not interfere with existing agreements

with other vendors. The Member assumes any risk resulting from conflicting vendor agreements.

2.5 Pricing for licenses is the price the vendor, Rackspace, charges CIRA plus a minimal administration fee. Prices offered upon the initial start of the member's pilot term is subject to change, should Rackspace's costs to CIRA change.

### **3. Ownership and Intellectual Property**

3.1 The Member acknowledges and agrees that CIRA and its licensors retain all right, title, and interest, including intellectual property rights, in and to the Software. This Agreement does not convey any ownership rights to the Member.

3.2 The Government Entity shall not modify, reverse engineer, decompile, or disassemble the Software or attempt to derive the source code from it. Any unauthorized use or modification of the Software may result in termination of this Agreement and legal remedies.

### **4. Term and Termination**

4.1 This Agreement shall commence on the effective date and shall continue until the completion of the pilot program, as specified in Exhibit A, unless terminated earlier in accordance with this Agreement.

4.2 Either Party may terminate this Agreement for convenience by providing 30 days written notice to the other Party. Licenses may only be terminated effective the monthly anniversary date of when the license was initially purchased. Monthly fees cannot be prorated. Upon Member requesting cancellation of a license, CIRA will remove the license on the next eligible cancelation date at the end of the monthly commitment, and the Member will be responsible for the cost of that license until it can be removed. For example, if a license is added on the 15th day of a month, it can physically only be removed on the 15th day of another month.

4.3 Upon termination of this Agreement, the Member shall cease all use of the Software, and CIRA may remove or disable access to the Software.

### **5. Limitation of Liability**

5.1 To the maximum extent permitted by applicable law, in no event shall either Party be liable to the other Party for any indirect, incidental, consequential, or special damages arising out of or in connection with this Agreement, regardless of the form of action, whether in contract, tort (including negligence), or otherwise.

### **6. Compliance with the CIRA Services Agreement**

6.1 Throughout the pilot program, the Member agrees to comply with all other obligations outlined in the CIRA Services Agreement between the Parties. Any breach of the CIRA Services agreement shall be considered a breach of this Agreement and may result in termination of the pilot program.

**7. Governing Law and Jurisdiction**

7.1 The laws of the State of Texas shall govern the interpretation, validity, performance and enforcement of this Agreement. Venue is in Travis County, Texas.

IN WITNESS WHEREOF, the Parties have executed this Software License Agreement as of the Effective Date.

**EXHIBIT A: Pilot Program License Quantity Change Request**

**Pilot Program Duration:** 19 months, October 2023 – April 2025

**Pilot Program Pricing:** Discounted pricing offered to pilot participant counties through December 2026 for licenses provisioned for the purpose of the pilot between October 2023 and April 2025. Pilot pricing is subject to change, dependent on CIRA’s vendor changing pricing. Please see Software License Pilot Program agreement for more details.

By completing Exhibit A, you authorize TAC CIRA to purchase and/or remove licensing on your county’s behalf. Licenses may only be terminated effective the monthly anniversary date of when the license was initially purchased. Monthly fees cannot be prorated. Upon Member requesting cancellation of a license, CIRA will remove the license on the next eligible cancellation date at the end of the monthly commitment, and the Member will be responsible for the cost of that license until it can be removed. Important: Licensing purchased by CIRA will not automatically be assigned. It is the county’s responsibility to ensure that licensing is appropriately assigned to users or left unassigned.
